Fri: PD Day - No School Students

Fri: Varsity Basketball Teams play Credo- 12pm girls; 1:30pm Boys

School Theme: 'Flourishing In Christ'

Welcome back!

We ask for continued prayers this week for Mr. Chase. His surgery on Friday went well, Lots of plates and screws are now a part of his right arm and leg. Please pray for patience and healing for him while he recuperates. We are so thankful for willing community members and staff that are able to help with the holes that are created with Mr. Chase's absence.

Today we congratulate Mr. Stromberg with his birthday! Happy Birthday! Many blessings to you in the coming year.

NWYVL - Last week we started up the Northwest Youth Volleyball league. If you ever want to know when certain teams are playing on any given evening check out the NWYVL website at: nwyouthvolleyball.com, all the info you need to know about times and evenings will be there.

This week Tuesday we will have three teams in action. Our Freshmen team at 6pm, the Varsity girls at 7pm and the Varsity boys at 8pm

Basketball games are still taking place this week for our JV and Varsity teams as they travel to Langley to play Credo. The JV teams will play on Thursday. The girls at 3pm and the boys following at 4:30pm. On Friday our Varsity teams will go up there to play – Girls at 12 & the boys following at approx.. 1:30pm.

For those teams finished please return your jerseys at your earliest opportunity. In a plastic bag with the players name on it, this is working great so far!

Reminder that Friday there is no school for the students while the teachers have a work day.

Joel 3:18

"And in that day the mountains will drip with sweet wine, and the hills will flow with milk, and all the brooks of Judah will flow with water; and a spring will go out from the house of the LORD to water the valley of Shittim."

The book of Joel may not be very long with three chapters only, but many passages that show flourishing could be found. I was struck by the reference of the spring coming from the house of the Lord. I had found a similar passage in Ezekiel. It is such a good reminder to know that flourishing flows from our LORD God. When trials come, as we have seen again this week, when life is hard, our only source of help comes from the LORD!

May God cause us to flourish!

We had a good, full week of learning last week! In second grade, we are enjoying our "The Mouse and Motorcycle" novel study. We are also working hard on our narratives for the writing contest. In first grade, we are having a lot of fun writing poems. We are becoming expert rhymers and some of our rhymes are quite entertaining! In first grade, we are also learning how to write letters. We hope to write a letter home to you! Letters will come home in a red notebook in our book bags. We'd love it if you would write back to us! (We plan to do this coming up in second grade as well.)

Friday No School

Grade 7/8

~~ Note from Mr. Houweling ~~

In our Church History lessons this past week we examined some terms that flowed out of the Enlightenment: gnosticism, scholasticism, humanism, rationalism, and mysticism. These "isms" have all ill affected the work of Jesus Christ and His bride through all the ages. Many heresies have resulted from these terms. It's good to have a deep understanding of these terms to identify the spirits of the times: although perhaps wearing other cloaks, they are still alive and in full persuasion today. Gnosticism, especially, is most prevalent. This results in people "in charge of their own destiny." This week we begin on our Church History focusing on the issues of the Liberation of 1944, and then moving forward from there.

We've now had two Friday morning bible discussions. This past Friday's discussion was led by an 8th grade student. It's such a blessing to watch and listen to the students take responsibility in leading and discussing God's Word.

Here are some noteworthy things for the week ahead:

(Students need to be thinking about what the topic of their speeches are going to be this term! 😊)
