Welcome back!

We have somewhat of a "normal" week this week.....we think. Classes are moving along nicely and children are being taught. Thank you again to all who have stepped in where needed and have taken teaching over for in our high school classes for the time being. And they come back smiling. It's great!

Birthday greetings to Mrs. HOFFORD who will celebrate on Wednesday, to Dylan V who will celebrate on Thursday to Mia C who celebrates on Friday and to Nolan L who starts next week with his birthday on Sunday! Happy Birthday!!

Happening This Week:

Tues: NWYVL

6pm - Freshmen

8pm - Varsity Girls

9pm - Varsity Boys

Thurs: 6pm - 8th Grade vs JV Girls

Fri: HS 3rd Qtr Report Cards

High school reports will be emailed home on Friday. The two absent teachers have been working very hard on grading in their absences. Any needing updates or revisions on these reports will be noted on Friday when you receive the report. Thank you for your understanding.

REMINDERS:

- **Basketball Jerseys** – Please return ASAP. 13 players left to go. Don't be the one that receives the special email towards the end of this that you are one of the forgetful ones!! ☺ Let's have them all returned this week, I know there is no prize or keeping your child from playing a game or anything for returning them so there seems to be a we'll get it there when we want attitude, but you don't want them sitting around your house any longer than necessary, I'm sure. Remember to put them in a bag (one bag per player) with the players name on it before you put them on the front desk counter. Thank you!

Praying everyone has a wonderful time of rest away from school for spring break next week.
See you all back on April 10th.

On the calendar after spring break we look forward to Grandparents day on April 20th.

May God cause us to flourish!

~~ Note from Mr. Houweling ~~

We've made a start on our speech presentations. In our discussions on the importance of speeches, we highlighted the fact that being a confident speaker is important in sharing the Gospel. We must equip ourselves with a toolbox full of tools to effectively communicate the most important aspect of all our lives to others. Learning how to present ideas and information is vital for all Christians, especially against a Gnostic gospel that is so prevalent today.

On Fridays we spend some time developing our impromptu speech talent. This is when a student is given a subject and they must talk on it for at least 1 minute. This is a great activity to do when traveling in the car! :) The first formal speech will be a 1-2 minute speech on an experience that your child has encountered. It could be explaining how to fix a punctured bicycle tire after experiencing a "let down" 😊 This will be due on the Thursday/Friday of the week we return from Spring Break.

Just so you know, the school Speech Competition will be held on May 3rd. Prompt your child with intriguing speech topics to get them started 😊

With the 8th grade High School and Beyond assignments, the second box is due this Friday.

Here are some noteworthy things for the week ahead:
