## ~ Note from Mrs. Johnson ([djohnson@cornerstoneschool.us](mailto:djohnson@cornerstoneschool.us)) ~

In Bible class we often talk about the faith of Abraham, Isaac and Jacob. We also talked about our Memory text of last week. "Now faith is the assurance of things hoped for, the conviction of things not seen." Last week we also realized that Mrs. Davis no longer needs faith, for now she sees! That was something we all mulled over for a bit. What comfort our Heavenly Father gives us. Our prayers continue for all those who grieve.

Please note the plans for this week. There are a few extra notes among it.

The students continue to make delightful progress. I've introduced the idea of "Extra credit" to the grade 4s. They have a multiplication packet that they are free to complete and turn in to cash in the extra credit. I love their enthusiasm ☺ Please continue reminding your child every day: "have you got your math-books sweetheart?"

# Grade 7/8

## ~~ Note from Mr. Houweling ~~

Committees: it's a favorite for many in grade 7/8, and it's a great way to run the class ☺ We have the Entertainment Committee, Desk Committee and the Decoration Committee. Each committee meets to discuss their ideas and formulates a proposal to run past the teacher. The committees have been working hard. The Entertainment Committee put forward a proposal for the class to play a game that they developed from Code Names. Various student groups were formed and they are now in the process of competing against each other, on a given day/time discussed with the teacher.

The Decoration Committee has been hard at work designing and decorating our classroom door with a book theme. You should hear the "oooows" and "ahhhhs" of the younger students. Feel free to come and check it out for yourself.

This week marks the end of trimester one. Often at the end of a term, everyone is "done" and ready for a break. However, it's very exciting to note that most students seem to have enough steam to continue puffing on to Thanksgiving ☺ We've had a fantastic term. I rejoice daily in the blessings the Lord gives me in the students, they are a joy and delight to teach. Thank you students for a great term's worth of work. Keep up the excellent work for the term(s) ahead.
