

## Dates to remember this week:

Next Tues: Picture Day

### School Theme: Rejoice Always! 1 Thess. 5:16

Welcome to a new week. Hopefully this smoky air will start to dissipate and we can breathe some fresh air again soon!

We **congratulate** the Andrew DeMooy family with the birth of another daughter/sister added to their family this past week. Glad to hear all is well and we pray for God's blessings as you raise Harper in the fear of His Name.

## ~~ Note from Mr. Houweling ~~

Students transitioned extremely well to the "real" notebooks for their math. Their enthusiasm and enjoyment in math is exciting. This is also part of the reason why everyone is completing their lessons and corrections for homework. Please keep an eye on it as the "novelty" wears off ☺

This week's math lessons are as follows:

	Monday	Tuesday	Wednesday	Thursday	Friday
4th	L7	L8	L9	L10	Test 1 L1-5

Have a wonderful week.

# Grade 7/8

## ~~ Note from Mr. Houweling ~~

The students have settled in well and have adopted a wonderful work ethic. We've even seen some students going over and beyond in an effort to attain some extra credit. There's plenty of opportunity in so many different ways for everyone to attain extra credit ☺ One of the ways would be to identify intriguing words in books, magazines, newspapers, etc. Another way would be to identify figurative language in texts. As I said, there's something for everyone ☺

Where and when necessary, the eighth graders have been extremely helpful in taking the seventh graders under their wings and giving some guidance and help. All in all, it's been a very exciting two weeks of school.

There are a few questions that keep coming back. We know these as worldview questions: 1. Where did I come from, 2. What am I doing here, 3. What is wrong with the world? 4. How can it be fixed? 5. Where am I going? It gives us immense peace and joy to use God's Word to answer each question. These are good questions to prompt friends in our street that do not know the Lord.

Students receive new spelling assignments on Mondays and are expected to practice their list words regularly. Their list words are available on [www.spellingcity.com](http://www.spellingcity.com) where they can listen to them being read to them. Some students need a nudge here and there to remind them to practice their words and complete their assignments by Friday.

Here are some noteworthy things for the week ahead:

We will be electing two new board members as well as reviewing the budget.

We will also have the cookbooks, dish-brushes and dishcloths available for purchase.

In addition, the pumpkin patch, sports day and the plant sale committee still need people, so if you are looking for an opportunity to serve, this may just be it!
